

# HOME EVACUATION FIRE SAFETY

## Safety Tips

- Make a home escape plan. Draw a map of your home showing all doors and windows. Discuss the plan with everyone in your home.
- Know at least two ways out of every room, if possible. Make sure all doors and windows leading outside open easily.
- Have an outside meeting place a safe distance from the home where everyone should meet.
- Practice your home fire drill at night and during the day with everyone in your home, twice a year.
- Practice using different ways out.
- Close doors behind you as you leave.

## IF THE ALARM SOUNDS

- Get out and stay out. Never go back inside for people or belongings.
- If you have to escape through smoke, get low and go under the smoke to your way out.
- Call the fire department (911) from outside the home.

## Do's

- Make escape plan
- Practice escape plan
- Leave home when alarm sounds
- Call 911

## Dont's

- Ignore an alarm
- Go back in the home for belongings or people
